Automatically Copy Files to Multiple Folder Locations Software is a small software application developed specifically for helping you automatically copy a specific set of files to multiple destinations at specified time intervals. It can be installed on all Windows versions out there. Clean and intuitive layout The tool boasts a straightforward interface that allows you to set up the dedicated parameters in no time. A help manual is not included in the package, but you can watch a video tutorial in

---

order to learn how to make the most out of the program's dedicated parameters. In addition, you are allowed to add some sample files to test the utility's capabilities. Files can be imported in the working environment using the built-in browse button or drag-and-drop support.

Automatically copy files

Automatically Copy Files to Multiple Folder Locations Software offers you the possibility to build up a list with the files that you want to process.

You can import the content of an entire folder, add all subdirectories in a folder, load a list of files from a

---

plain text item, as well as double-click on a target file in order to remove it from the list or clear the workspace with a single click. What's more, you are given the freedom to pick the destination folder or set up multiple directories, check out a summary of the files that you are about to process, as well as make the application automatically copy data at a custom time interval which may vary from 30 seconds up to 24 hours. Other important configuration settings worth being mentioned enable you run the program at Windows startup and open it minimized, turn on the

---

automatic copying mode or manually trigger a task, check out a history log, as well as copy log data to the clipboard. Final thoughts In conclusion, Automatically Copy Files to Multiple Folder Locations Software proves to be a handy piece of software that allows you to schedule the action of copying a set of files to different destinations. It can be tweaked by rookies and professionals alike. 19 Feb 2019 07:10:48 New Ways to Speed Up Your Website - Web Hosting Automation
